## NOTICE TO TAXPAYER - COUNTY OF MACOUPIN

### 2014 HONEY POINT REAL ESTATE ASSESSMENT PUBLICATION LIST

The following is the real estate listing of property in this township for 2014 for which changes in the assessed value of these listed properties have been made by the Township Assessor and/or the Supervisor of Assessments office. Assessments of property, other than farmland, farm buildings and coal, are required by law to be assessed at 33 1/3% of fair market value. A township equalization factor of 1.0000 was applied to all classes of property except coal, farmland and farm buildings to bring the median level of assessments to 33.33%. You may test the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Macoupin County Board of Review within 30 days of the date of this publication. Property information is available through the Macoupin County website, under the assessment office link, located at macoupincountyil.gov. The address of the Supervisor of Assessments office and Macoupin County Board of Review is 201 E. Main, P.O. Box 15, Carlinville, IL 62626, and the phone number is 217-854-8281, extension 710. The assessment, adjusted by applicable exemptions, is multiplied by your local tax rate to obtain an amount of property taxes. **Available property tax exemptions include the following: Disabled Veterans, Returning Veterans, Disabled Persons, Senior Citizens (65 years old or older), Senior Citizens Assessment Freeze (total household income must be \$55,000 or less), Natural Disaster Homestead, General Homestead and Homestead Improvement.**

**NOTICE TO TAXPAYER - COUNTY OF MACOUPIN**  
**2014 SHAW'S POINT REAL ESTATE ASSESSMENT PUBLICATION LIST**

The following is the real estate listing of property in this township for 2014 for which changes in the assessed value of these listed properties have been made by the Township Assessor and/or the Supervisor of Assessments office. Assessments of property, other than farmland, farm buildings and coal, are required by law to be assessed at 33 1/3% of fair market value. A township equalization factor of 1.0000 was applied to all classes of property except coal, farmland and farm buildings to bring the median level of assessments to 33.33%. You may test the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Macoupin County Board of Review **within 30 days** of the date of this publication. Property information is available through the Macoupin County website, under the assessment office link, located at macoupincountyil.gov. The address of the Supervisor of Assessments office and Macoupin County Board of Review is 201 E. Main, P.O. Box 15, Carlinville, IL 62626, and the phone number is 217-854-8281, extension 710.
