

Macoupin County Real Estate Assessment List

**NOTICE TO TAXPAYER - COUNTY OF MACOUPIN
2018 HONEY POINT TOWNSHIP REAL ESTATE
ASSESSMENT PUBLICATION LIST
Median Level of Assessment for
Honey Point Township -- 33.33%**

The following is the real estate listing of property in this township for 2018 for which changes in the assessed value of these listed properties have been made by the Township Assessor and/or the Supervisor of Assessments office. Assessments of property, other than farmland and coal, are required by law to be assessed at 33 1/3% of fair market value. A township equalization factor of 1.0000 was applied to all classes of property except coal, farmland and farm buildings to bring the median level of assessments to 33.33%. You may test the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Macoupin County Board of Review **within 30 days** of the date of this publication. Property information is available through the Macoupin County website, under the assessment office link, located at macoupincountyil.gov. The address of the Supervisor of Assessments office and Macoupin County Board of Review is 201 E. Main, P.O. Box 15, Carlinville, IL 62626, and the phone number is 217-854-8281, extension 710. The assessment, adjusted by applicable exemptions, is multiplied by your local tax rate to obtain an amount of property taxes. **Available property tax exemptions include the following: Disabled Veterans (have at least a 30 percent service-connected disability certified by the U.S. Department of Veterans' Affairs), Returning Veterans, Disabled Persons, Senior Citizens (65 years old or older), Senior Citizens Assessment Freeze (total household income must be \$65,000 or less), Natural Disaster Homestead, General Homestead and Homestead Improvement.**

DATE: 12/27/2018 HONEY POINT TWP MACOUPIN COUNTY, IL.

**NOTICE TO TAXPAYER - COUNTY OF MACOUPIN
2018 SHAWS POINT TOWNSHIP REAL ESTATE
ASSESSMENT PUBLICATION LIST
Median Level of Assessment for
Shaws Point Township -- 33.33%**

The following is the real estate listing of property in this township for 2018 for which changes in the assessed value of these listed properties have been made by the Township Assessor and/or the Supervisor of Assessments office. Assessments of property, other than farmland and coal, are required by law to be assessed at 33 1/3% of fair market value. A township equalization factor of 1.0000 was applied to all classes of property except coal, farmland and farm buildings to bring the median level of assessments to 33.33%. You may test the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Macoupin County Board of Review **within 30 days** of the date of this publication. Property information is available through the Macoupin County website, under the assessment office link, located at macoupincountyil.gov. The address of the Supervisor of Assessments office and Macoupin County Board of Review is 201 E. Main, P.O. Box 15, Carlinville, IL 62626, and the phone number is 217-854-8281, extension 710. The assessment, adjusted by applicable exemptions, is multiplied by your local tax rate to obtain an amount of property taxes. **Available property tax exemptions include the following: Disabled Veterans (have at least a 30 percent service-connected disability certified by the U.S. Department of Veterans' Affairs), Returning Veterans, Disabled Persons, Senior Citizens (65 years old or older), Senior Citizens Assessment Freeze (total household income must be \$65,000 or less), Natural Disaster Homestead, General Homestead and Homestead Improvement.**

DATE: 12/27/2018 SHAWS POINT TWP MACOUPIN COUNTY , IL.

**NOTICE TO TAXPAYER - COUNTY OF MACOUPIN
2018 POLK TOWNSHIP REAL ESTATE ASSESSMENT
PUBLICATION LIST**

**Median Level of Assessment for
Polk Township -- 33.33%**

The following is the real estate listing of property in this township for 2018 for which changes in the assessed value of these listed properties have been made by the Township Assessor and/or the Supervisor of Assessments office. Assessments of property, other than farmland and coal, are required by law to be assessed at 33 1/3% of fair market value. A township equalization factor of 1.0000 was applied to all classes of property except coal, farmland and farm buildings to bring the median level of assessments to 33.33%. You may test the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Macoupin County Board of Review **within 30 days** of the date of this publication. Property information is available through the Macoupin County website, under the assessment office link, located at macoupincountyil.gov. The address of the Supervisor of Assessments office and Macoupin County Board of Review is 201 E. Main, P.O. Box 15, Carlinville, IL 62626, and the phone number is 217-854-8281, extension 710. The assessment, adjusted by applicable exemptions, is multiplied by your local tax rate to obtain an amount of property taxes. **Available property tax exemptions include the following: Disabled Veterans (have at least a 30 percent service-connected disability certified by the U.S. Department of Veterans' Affairs), Returning Veterans, Disabled Persons, Senior Citizens (65 years old or older), Senior Citizens Assessment Freeze (total household income must be \$65,000 or less), Natural Disaster Homestead, General Homestead and Homestead Improvement.**
